

Invitation for Bids

Phrapokklao Hospital

Date September 2, 2026

Loan/Grant No. and Title Loan 4785-THA and TA 10795-THA: Climate-smart Health Services System Enhancement Project

Contract No. and Title CW04 : Construction of 8-storey Diagnostic and Treatment Building Phrapokklao Hospital

Deadline for Submission of Bids October 1, 2026

1. The Kingdom of Thailand has received financing from the Asian Development Bank (ADB) toward the cost of Construction of 8-storey Diagnostic and Treatment Building Phrapokklao Hospital. Part of this financing will be used for payments under the Contract named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The Phrapokklao Hospital, Ministry of Public Health ("the Employer") invites sealed bids from eligible Bidders for the construction and completion of Construction of 8-storey Diagnostic and Treatment Building Phrapokklao Hospital ("the Works").

The Works Comprises of:

The comprehensive construction, structural engineering, and technical commissioning of an 8-story medical facility, featuring a total usable area of approximately 22,592 square meters and a height of 46.6 meters. The core technical scope encompasses the supply, installation, and engineering validation of specialized hospital systems, including a centralized Medical Gas System, certified Clean Rooms, diagnostic imaging suites for MRI and CT-SCAN operations, Negative Pressure Rooms, and an Operating Room (OR) complex, fully integrated with complete building services and centralized MEP infrastructure.

3. Open competitive bidding will be conducted in accordance with ADB's Single-Stage: One Envelope without Prequalification procedure and is open to all Bidders from eligible countries as described in the Bidding Document.
4. Only eligible Bidders with the following key qualifications defined in the Bidding Document may participate in this bidding.
 - a) Historical Financial Performance: Submission of audited financial statements or, if not required by the law of the Bidder's country, other financial statements acceptable to the Employer, for the last (3) years to demonstrate the current soundness of the Bidder's financial position. As a minimum, the Bidder's net worth for the last year calculated as the difference between total assets and total liabilities should be positive.

- b) Average Annual Construction Turnover: Minimum average annual construction turnover of 569 million Thai Baht calculated as total certified payments received for contracts in progress or completed, within the last the last (3) years.
- c) Financial Resources: Availability of, or access to, liquid assets, lines of credit, and other finances sufficient to meet any possible cash flow requirement of at least THB 95 million, net of its financial obligations for its own current contract commitment. If a Bidder is a joint venture, all partners combined must meet the requirement amount, one partner must meet at least THB 38 million and each other partner(s) must meet at least THB 24 million.
- d) Construction Experience: Participation as a contractor or Joint Venture partner, in at least one contracts that have been satisfactorily and substantially completed within the last 10 years counting up to the bid submission deadline and that are similar to the proposed works, where the value of the Bidder's participation under each contract exceeds THB 606 million. The similarity of the Bidder's participation shall be based on the construction of high-rise buildings and extra-large buildings as defined by the Ministerial Regulation No. 33 (B.E. 2535).
- e) For the above or other contracts executed during the period stipulated in d), a minimum construction experience is required in the following key activities:
 - i. Medical Gas System
 - ii. Operating Room (OR) or Positive Pressure Room or Negative Pressure Room

The qualification criteria are more completely described in the Bidding Document.
